*Greeting in the name of Jesus!*

*I would like to share the vision that the Lord has implanted in my heart.*

*The goals of the Path-Light Ministries home are to provide a way out of hurts, habits and hang-ups. We help restore the role in the lives of women to reintegrate back into their homes with their families as women of God. We work with women who have the desire to change their life style and quality of life.*

*We offer Spiritual guidance and prayer, which allows the individual to become a productive member of our community. We ask for a minimum commitment of 90 days. Our home is located at 2215 N. Valley Drive, Las Cruces New Mexico 88007.*

*Your contributions (i.e. clothing, food, hygiene products, sheets, towels and Financial) assistance would be greatly appreciated. If you have any questions please call (575) 541-3799*

### Processing

At arrival, the client will be processed into the program. The policies, schedule, house rules and waiver of liability are covered with each woman at that time. The process of getting into the program can take from 30 to 45 minutes.

### Days 1-3

The first three days of the program are the most crucial to the client. They will go through many emotions during this time such as self hatred, confusion, fear, hopelessness, anxiety along with feelings of repentance, brokenness, humility, guilt and shame. Some clients wonder if they are doing the right thing and want to leave the program but are encouraged to stay through the Love of Christ and a lot of prayer. The women will be given Biblical counseling and taught to cope with these feelings through the Word of God.

### During Your Stay

Our program covers daily Bible studies starting with Psalm, Proverbs and our Life Journal Bible Reading Plan each morning. The women receive lessons that they will be allowed to keep when they leave or complete the program. Some of the lessons include: Life's Healing Choices, A Fresh Start new believers, Purpose Driven Life, Life Skills, Discipleship, and the Life of Jesus Christ. We will attend 12 Steps through recovery with the beatitudes meetings. Our teaching material covers: attitudes, anger, temptation, personal relationships, substance abuse and related subjects that they need to function with now and throughout their future as Women of God.

### Family Interaction

The Clients will be allowed family visits on Saturdays.

Family members will be briefed prior to their visit which starts at 1:00 pm and visitation immediately after. Visitation ends at 5:00 pm.

Note: The Path-Light home is a 90 day NO TOBACCO PROGRAM.
